Good Afternoon,

At time 14:32 Today I spoke for 19min 52sec with the Police official on the Phone explaining the nature of the emergency. The occupant at the Address:

of the Leasehold, as attached does not have a contract to be in the Premises as described in the Particular Section of the Lease document attached.

I have there for made a report to the Police to secure the Premises by seeking the help of a Lock Smith.

Detailed Report on the basis of Security and Administration and Legal Advice is Located at:

http://imettle.com/cv/home_doc

Emergency Accommodation for the homeless occupant is needed, whom I believe have a right of occupancy at the Second Floor and NOT the Ground Floor: (Flat 7 Trident House:TGL264592) being Part of the Second Floor(Flat 17, Trident House:TGL264592).

The aforementioned Property to date has not being signed, witnessed, and Dated for a new customer as the "Second Leaseholder" that relates to the Ground Floor. For this reason we are in a state of Emergency.

Note:

The "Car Park Land 268" has no legal relationship with the "Car Park Land 257" as detailed in the Leasehold attached.

It should also be noted that Miss Sazeda Begum is and was not Part of the First Time buyers scheme as a consented occupant of

the Ground Floor nor I as a consented occupant of the Second Floor. In short she cannot claim National Insurance Benefits as a related Family Member on my account.

I hereby declare Notice Given to the Appropriate Authorities.

Good Evening,

With the support of the Police I was removed from my accommodation which is my Leasehold Flat as described in the report. When I explained to them that they have come to the wrong address they did not believe me and forced me out.

Consequently, I need police assistance to go back home. It is that simple. The council can prove a temporal accommodation for the PerSONs caught up in the incident. Explanation is as you received in the report.

Kind Regards.

Dear Francis,

The woman leaving in my flat is technically homeless and she might need assistance to find a place to stay because if her claims to have bought (Flat 7 Trident House: TGL264592) at the price of £250,000.00 is true then it is her duty to represent Gallions Housing Association Ltd. being the Common Areas Seal which is why Flat 17, faces the Common Car Parking Area.

My (Flat 7, Trident House: TGL248018) is Private Flat for my self and Ms Marietta Dico Mettle.

Miss Sazeda Begum being the woman in my flat has never being registered for a first time buyers deal which involves the application of National Insurance benefits.
